

For an **INDUSTRIAL STRENGTH BIRTHDAY PARTY...**

“The best birthday party ever. My child absolutely loved it!”

INDUSTRIAL STRENGTH

Birthday Parties

Great for kids age 5 and up

Bring your kids (or anyone else!) to the Charles River Museum of Industry.

We're located in America's first factory, the 1814 Boston

Manufacturing Company, the perfect backdrop for a unique, memorable party.

Your child and friends will love our hands-on exhibits and intriguing displays, including an old-fashioned player piano, a thundering machine shop, steam locomotives, antique cars and bikes, an early fire engine, and much more.

After your museum tour (including demonstrations of powerful machines and whirring line shafts) your group moves to one of our party rooms — a cozy theatre with TV/DVD or a HUGE party room on the Charles River. They're all yours for games, food, and entertainment.

Planning Your Party

Birthday party packages are available during regular museum hours, Thursday—Saturday, 10 am—5 pm. (Other times are available for an additional charge.) You will be asked to provide one adult chaperone for every five kids, as well as paper

goods and decorations. We'll provide you with numbers

DJs, decorators, and other party pros to make your event a success!

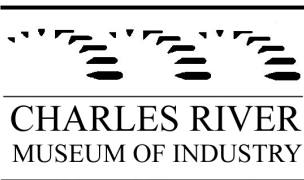

Kids love our hands-on exhibits and activities!

Our 1814 textile mill is a special place for a memorable party!
